

Majestic Stone Conditioning Treatment & Polish

Majestic Stone Conditioning Treatment & Polish is a blend of organic emulsifiers, natural moisturizers and gloss enhancing polymers. It is formulated to penetrate, enhance and protect all polished stone countertops and walls. NOT TO BE USED ON FLOORS. It adds shine and creates a protective shield that repels water and reduces fingerprints. Use on occasion when you want to add a little extra shine and protection.

For Use On: All polished marble, travertine, limestone, slate, onyx and granite countertops and walls. Not to be used on floors as it may make the surface slippery.

Available Sizes: Quart, case of 12 quarts, gallon, case of 4 gallons

Product Features:

- Penetrates, polishes and protects
- Adds shine while creating a protective shield
- Repels water
- Reduces fingerprints

THOROUGHLY TESTED

Directions:

1. Clean the stone surface thoroughly with a stone safe cleaner such as Majestic Stone Plus.
2. Apply Stone Conditioning Treatment & Polish sparingly onto stone surface.
3. Buff to a uniform finish using a clean white microfiber or terry cloth. A separate cloth should be used for applying and a fresh cloth for buffing to a shine.

Quick Tip: Use on shower walls once or twice monthly to add protection against water spotting.
